Food Waste Disposers

Evolution Series®

Grind More. Hear Less.®

Evolution Cover Control® Plus

Ideal for those seeking the extra assurance of covered operation.

Submittal Sheet

Ideal for those seeking the extra assurance of covered operation.

- **SoundSeal®** technology delivers ultra-quiet performance. Hold a conversation with normal voices in the same room.
- **MultiGrind®** technology delivers 2 stages of grind vs. 1 stage in standard disposer.
- Features exclusive patent-pending Magnetic CoverStart® Activation. The cover goes in before the disposer goes on.

Specifications

Warranty:
7-Year parts and in-home service.

* The complete InSinkErator warranty is included in the Care & Use Booklet packed with each unit.

Job Specifications

Food waste disposers can provide an environmentally responsible alternative to transporting food waste to landfills. And they can help reduce greenhouse gas emissions. At capable wastewater treatment plants, food waste can be recycled to produce renewable energy. Additionally, capable wastewater treatment plants can process food waste into fertilizer. (Check the plant in your area.)
